

THE KINGDOM SONG

Lord, may your kingdom rise in us,
and Lord may your echoes fill the earth;
you have died, you are risen, you will come to us again,
while the echoes of your love cry to you.

Mathew 13, 31-44

Praise be to God for the bless-ings and the gifts,
and the ta - ble that is set with great love; and the
Spir - it rid - ing high in the sun - shine and the wind,
for the king - dom of love is at hand_____!

1. The kingdom of God is like a farmer planting seed so his field of wheat can fill the land; for to live is to drink all the sunshine and the rain and to smile with your friends breaking bread.
2. The kingdom of God is like a woman making bread and she puts all her love into the dough; and it rises to the rays of the sunshine in her love for the banquet of the people in her life.
3. The kingdom of God is like a treasure in a field that someone just happens to find; so s/he goes and s/he sells everything that s/he has and s/he buys the treasured field for his/her own.
