

## LIGHT FOR THE WORLD

© 2004 by Shawn Tracy & Dan Mason

LIGHT FOR THE WORLD AND SALT  
OF THE EARTH, A CITY ON A HILL,  
... WE ARE CALLED FROM BIRTH! ... *to be*  
... *YOU ARE WHAT YOU'RE WORTH!*

- 1 But if salt loses it's flavor / what good will that do  
for the guests at the table / or the taste in the food?  
For then it is thrown out / sometimes trampled on,  
to be salt for a winter's / cold, and icy storm!
- 2 And who would light a lamp / and put it out of sight,  
and sit there all alone / in the darkness of night?  
No! Lamps are there for people / for family and for friends,  
Perhaps a passing stranger / who needs a helping hand!
- 3 That city on a hill / is there for all to see,  
for pilgrims and for others / on the roads of destiny,  
and her gates are open wide / they welcome all who come,  
the nations of the world / or people on the run!
- 4 Now here comes old Melchizedek / from over the hills,  
with bread and with wine / and (those) high priestly skills!  
Singing praise to his God / singing praise for all of life,  
while the people sang and prayed / and danced in delight!
- 5 Now the kings and the queens / of sacred Mother earth  
are called from the beginning / to honor their birth.  
Yes, the waters are still flowing / the oils are running down  
on the heads of holy people / who wear a holy crown!
- 6 So! Let your light shine / that others may see  
that the life you've been given / is holy and free!  
We're a city on a hilltop / we are salt of the earth,  
and the light shining in us / has been there from the first!
