

WHEN IT RAINS

Brothers, Sisters, what'ya gonna do?
What'ya gonna do when the rain falls down?
What'ya gonna do when it rains?

Wha'dya gonna do?
Where'ya gonna live?
Wha'dya gonna eat?
Wha'dya gonna wear?
Wha'dya gonna do when it rains?

- 1 Read it in the bible – no, it ain't no lie!
I read it in the bible – no, it ain't no lie!
Destruction's gonna rain from the sky!
- 2 The last time this world – lived such wicked ways,
the last time this world lived such wicked ways,
it rained for forty nights and forty days!
- 3 Keepin' my lamp – trimmed and burning bright,
I keep my lamp trimmed and burning bright,
In case it happens in the middle of the night!
